Grow Digital

Wednesday 12th February 2020, 9:00am-4:30pm
Cobham Sports & Social Club
Merley Park Road, Wimborne, BH21 3DA

Would you like to learn more about using Information and Assistive Technology within your care service?

Partners in Care, Dorset Council and Bournemouth, Christchurch & Poole Council are pleased to invite you to this special conference focusing on information and assistive technology. You will have an opportunity to hear from key professionals and experts in their field.

There will be a range of exciting workshops and a dedicated exhibition area available for you to find out more about innovations in technology that could support the service you provide along with valuable opportunities to share with colleagues and learn from each other.

The final agenda will be available in January 2020.

We are pleased to offer this free of charge but due to the popularity of this event, spaces are limited to a maximum of three per provider.

To book, please visit:
